Professor Godfrey Ridout

Dear Professor Ridout:

Thank you very much for your letter bringing us up to date on Miss Parlow's estate. Inasmuch as I shall probably not have occasion to write you again I want to repeat our thanks for the careful attention you have given this whole matter. And as a personal matter, I want to add that your letters are so delightful that I have enjoyed them for their literary merit. Mrs. Wennerholm, my very literate secretary, also has a great admiration for the quality of your letters.

Sincerely yours,

Daryl H. Pearson
